#Remember your Oath"

Important commitment by police officers in Toronto.

Remember your Oath. Law enforcement officers Worldwide should follow suit. Spread the word.

Len Faul is a retired former Inspector with the Toronto Police.

He agreed to sit down with me for an interview to talk about how he and a group of active and former police officers are working to stop these unconstitutional public health measures and how we can work together to push back against what our politicians and health authorities are doing to us.

A big thank you to Len Faul and his colleagues at **Police On Guard For Thee** for meeting with me and letting me ask all these questions, and most of all for the enormous effort they are making on our behalf! I know it's a volunteer effort so it means the world to me that they are doing this on all our behalf.
