DOCKET NO. _____
FOR: Grave Coercion

Respondent/s,

X-----X

COMPLAINT-AFFIDAVIT

I, _____, of legal age, (single/married) Filipino, and with address at _____ after having been sworn in accordance with law, hereby depose and state:

1. I am a business owner in _____ and the location of my business is at _____.
2. That sometime in _____, the respondent () Mayor _____, () Inter-Agency Task Force, () Metro Manila Development Authority issued an Order _____ which prohibits business establishments such as that of complainant's from operating.
3. That the said Order is Ultra Vires as it violates my constitutional right to life under Art. II Sec. 11 and Art. III Sec. 1. This is because, the respondent is using his office to () intimidate, () threaten and () compel business owners like the complainant to close down and be deprived of a source of income to support his life and that of his/her family.
4. That since the pandemic has started, the protocols implemented have not been proven effective and in fact, even with the protocols, the Covid-19 cases have continued to rise. As such, implementing a protocol that does not help address the problem is no longer motivated by public health but by sheer lack of sympathy to a dying economy and a hungry population.
5. That even if there is a law which mandates vaccination, the use of () violence, () threat, () intimidation to compel complainant to stop operation is violative of my constitutional right to life under Art. II Sec. 11 and Art. III Sec. 1. It even amounts to a systematic murder because with the denial to operate is also the clear way to kill business owners of income to support his/her life, the life of his/her family and also the life of the employees who rely on such business. Respondent might as well order complainant

along with his employees to be put to a gas chamber if the continued denial to operate and have an access to a decent source of income.

6. I am therefore executing this Complaint-Affidavit in support of the charges for Grave Coercion under Art. 286 of the Revised Penal Code against the said respondent, _____, who may be served with subpoena and other processes of this Honorable Office at (his/her) last known address at _____, Philippines.

IN WITNESS WHEREOF, I have hereunto set my hands this _____ day of _____, 20__ at _____, Philippines.

Complainant
